House of Representatives

May 10, 2024

Dear Chairman Cole and Ranking Member DeLauro:

I am requesting funding for the Borough of Lodi's Public Safety Communications project in fiscal year 2025. The entity to receive funding for this project is the Borough of Lodi, located at 1 Memorial Drive, Lodi, NJ, 07644. The funding would support the purchase of new P-25 compliant portable radios as the current radios need to be replaced to meet compatibility standards. This project is a valuable use of taxpayer funds as the Borough requires updated equipment to protect the public safety of its residents. The project has a Federal nexus because the funding provided is for purposes authorized under 34 U.S.C. 10381(b)(8). I certify that I have no financial interest in this project, and neither does anyone in my immediate family.

Sincerely,

A handwritten signature in blue ink that reads "Bill Pascrell Jr".
