Dear Chairman Cole and Ranking Member DeLauro:

I am requesting funding for the Borough of Ridgefield's Solar Energy project in fiscal year 2025. The entity to receive funding for this project is the Borough of Little Ferry, located at 700 Shaler Boulevard, Ridgefield, NJ 07657. The funding would support roof renovations and the installation of solar panels on the Community and Senior Center and install electric vehicle charging stations in the parking lot behind the building. This project is a valuable use of taxpayer funds as it will allow the Borough to utilize renewable energy, reduce carbon emissions, and provide electric vehicle charging options to residents. The project has a Federal nexus because the funding provided is for purposes authorized under 42 U.S.C. 5305(a)(2). I certify that I have no financial interest in this project, and neither does anyone in my immediate family.

Sincerely,

A handwritten signature in blue ink that reads "Bill Pascrell Jr".
