Congress of the United States  
House of Representatives

May 10, 2024

Dear Chairman Cole and Ranking Member DeLauro:

I am requesting funding for the Borough of Edgewater's Stormwater Infrastructure Improvement Project in fiscal year 2025. The entity to receive funding for this project is the Borough of Edgewater, located at 55 River Road in Edgewater, NJ 07020. The funding would be used to construct an open channel culvert with additional volume to manage stormwater flow. This project is a valuable use of taxpayer funds because it reduces threats posed by contamination of water during stormwater surges. The project has a Federal nexus because the funding provided is for purposes authorized by Title VI of the Clean Water Act, 33 U.S.C 1381 et seq. I certify that I have no financial interest in this project, and neither does anyone in my immediate family.

Sincerely,

A handwritten signature in blue ink that reads "Bill Pascrell Jr".
