Congress of the United States
House of Representatives

May 10, 2024

Dear Chairman Cole and Ranking Member DeLauro:

I am requesting funding for Hudson County's Roadway Safety Improvement project in fiscal year 2025. The entity to receive funding for this project is Hudson County, located at 830 Bergen Avenue, Suite 6B, Jersey City, New Jersey 07306. The funding would support roadway, pedestrian, and cyclist safety improvements to Passaic Avenue in the Town of Kearny. This project is a valuable use of taxpayer funds because it will impact the everyday safety of residents, and those who drive, walk, or bicycle along the roadway. The project has a Federal nexus because the funding provided is for purposes authorized under 23 USC 133(b)(2). I certify that I have no financial interest in this project, and neither does anyone in my immediate family.

Sincerely,

A handwritten signature in blue ink that reads "Bill Pascrell Jr".
