Congress of the United States House of Representatives

Dear Chairwoman Granger and Ranking Member DeLauro:

I am requesting funding for the County of Passaic's Electric Vehicle Charging Station Installation project in fiscal year 2024. The entity to receive funding for this project is the County of Passaic, located at 401 Grand Street, Paterson, NJ 07505. The funding would be used to install Electric Vehicle (EV) Level 2 charging stations at key County-owned facilities for general use by the public and by County staff to support essential job functions. The project is an appropriate use of taxpayer funds because it will promote economic development, establish green infrastructure, and make the selected locations a more attractive place for education, tourism, and business. The project has a Federal nexus because the funding provided is for purposes authorized under 42 U.S.C. 5305(a)(2). I certify that I have no financial interest in this project, and neither does anyone in my immediate family.

Sincerely,

Biel Pascrill fr
