Dear Chairman Cole and Ranking Member DeLauro:

I am requesting funding for the Town of Secaucus's Stormwater System Improvement project in fiscal year 2025. The entity to receive funding for this project is the Town of Secaucus, located at 1203 Paterson Plank Road in Secaucus, New Jersey 07094. The funding would be used to make upgrades to the existing stormwater conveyance infrastructure. This project is a valuable use of taxpayer funds because it improves stormwater drainage and mitigates risk to community and individual health posed by flooding. The project has a Federal nexus because the funding provided is for purposes authorized by Title VI of the Clean Water Act, 33 U.S.C 1381 et seq. I certify that I have no financial interest in this project, and neither does anyone in my immediate family.

Sincerely,

A handwritten signature in blue ink that reads "Bill Pascrell Jr".
